East End House

School Age Afterschool Program

School Age Program, or SAP, is a nationally- accredited afterschool enrichment program which provides a safe, fun, and enriching environment for children ages 5-12 between the hours of 2:00- 6:00 PM. East End House also offers a full-day program during the summer and most Cambridge Public School District days off.

We believe that afterschool is an exciting and critical time in the lives of children- a time for trying new things, practicing skills, building friendships, and developing as independent, critical thinkers.

Why Choose the School Age Program?

- Caring, dedicated, professional staff and nurturing atmosphere
- Accredited by the National Afterschool Association
- Licensed by the Commonwealth of Massachusetts
- Age-specific groups with excellent child to adult ratios
- Innovative curriculum with creative, hands-on approach to project-based learning
- STEM and Literacy activities
- Daily homework assistance and tutoring
- Multi-media computer curriculum
- Gymnasium on-site with daily opportunities for sports and recreation
- Field trips to local museums and points of interest
- Hours of operation designed for working parents
- Up to 100% financial assistance, based on need; vouchers accepted

Transportation

Staff meet children at Kennedy Longfellow and King Open School and walk them to East End House upon school dismissal. Children who attend other Cambridge Public Schools will be met at the bus stop on the corner of 5th and Spring Street.

SAP Curriculum

STEM

Science, Technology, Engineering, and Math curriculum, or STEM, is taught two to three times a week. The curriculum targets specific skills and compliments the common core standards. This initiative creates and nurtures a sense of excitement about science and math.

Homework and Literacy

Children are divided into groups based on grade level, and have a homework and literacy time every day which involves reading, homework completion, tutoring as needed, and literacy activities.

Enrichment Clubs

SAP provides daily club activities that meet 2-3 times per week. Clubs reflect the interests of children and utilize the skills of our diverse staff. SAP seeks to engage the curiosity and develop the interests of children through hands-on activities that reinforce the skills learned in school. Children can also choose to participate in organized sports.

Whole Child Approach

East End House staff work with parents, schools, and community partners to nurture children using a holistic approach. Staff touch base with parents upon child pickup daily, and have weekly blocks where parents can set up formal meetings. East End House staff also collaborate with teachers, reading specialists, and counselors to ensure the success of each child.

About East End House

East End House has been serving the community for over 130 years. We are a not-for-profit, multi-service community center and social service agency committed to providing programs and services to strengthen family and community in East Cambridge, Cambridge, and the greater Boston area.

East End House offers child care, school age care, programs for seniors, a volunteer service program, community outreach and education, middle school programs, teen mentoring, and an emergency food pantry, in addition to various workshops and classes.
