

Help keep East End House strong for the generations to come by supporting the Annual Fund.

East End House Mission and Vision

Originally founded in 1875, East End House continues its commitment to a diverse population, providing programs and services to strengthen family and community. East End House strives to be the center of community life, a safe haven welcoming, linking and collaborating with individuals of all ages, their families, businesses and community institutions to create innovative programs in the pursuit of excellence on a sound fiscal basis.

Your gift will help to support the vital programs and services at East End House.

Your support enables us to:

- Serve community members of all ages with programs, services, and referrals to other agencies
- Create opportunities and experiences for individuals and families denied access due to social and economic barriers
- Use volunteers to build a sense of community and to strengthen the capacity of the agency to address the needs of its community
- Continuously seek innovative ways to reach out and better serve the community

No matter what level of contribution, your generosity makes a real difference in the lives of people we serve.

I want to join East End House in Making a Difference in People's Lives!
