

# Pack a

# Backpack

School Supply Drive | Aug 1 – 27

**Even a simple notebook can help a child turn a new page.  
Help fill up school backpacks for the Children of East End House.**

At East End House we want every child to be prepared for school. We help students develop healthy lifestyles, along with academic and social-emotional skills that are essential for classroom learning. However, sometimes one's ability to succeed depends on simple, physical items like backpacks, pencils, notebooks, and other school supplies.

Thanks to the generous support from individuals like you we are working to ensure that every East End House student will receive a backpack full of school supplies this fall!
